You don't need to be a golfer to enjoy Topgolf! Join us for a fun time and a great dinner.

Topgolf is the premier golf entertainment complex where the competition of sport meets your favorite local hangout. It provides a unique experience that is great fun for all from experts to non-golfers alike. Players hit balls containing computer chips that track each shot's accuracy and distance while also awarding points for hitting targets on the outfield.

Topgolf provides an upscale, laid-back experience that features climate-controlled hitting bays which serve up to six golfers.

No special equipment or attire is required to play Topgolf and golf club rental is free.
